Hi Duane, I have reviewed this response and I approve this for release. Please prepare the Final Response Package and send out to the Requester by inserting the current date, ensuring that my signature is on the Letter and it is saved into a .pdf. Additionally, please ensure all necessary FOIAonline data fields are populated with the required necessary information and any and all fee information is included. Please close out the FOIAonline record when completed. Also, please remember to update the Administration costs data field into FOIA Online at the Admin Costs tab (as applicable). Thank you, Travis.
